

MM 400

Enjoy music
and never miss a call

The MM 400 is a state-of-the-art Stereo Bluetooth® headset for multimedia mobile phones. With one press of a button, you can quickly switch between calls and music delivered in superb stereo sound. The invisible high-performance microphone ensures that conversations are clear, making this headset the perfect all-in-one sound solution.

- **Wireless freedom** – Bluetooth® 2.1 guarantees hands-free convenience without wires and the advanced A2DP profile for Stereo Bluetooth® delivers optimized hi-fi stereo sound
- **Invisible microphone** – with high-performance sound quality for clear conversations
- **Direct cable option** – for use on airplanes, with an airline adapter included
- **Easy headset controls** – in one intuitive cluster
- **Sennheiser sound quality** – hi-fi headphone drivers ensure superior dynamic range, detail and excellent bass
- **Wearing comfort** – padded ear-cushions provide an excellent soft fit, even on long trips
- **Easy-2-GO** – the headset folds into a compact bundle for travel and storage, while the headband is metal-reinforced for durability
- **Flexible** – replace the battery with a spare on long trips – or recharge it via the USB port on your laptop or the supplied lightweight wall charger with different plug fittings for Europe, the USA, the UK and Australia
- **Connect everywhere** – to mobiles, laptops, MP3 players, or in-flight entertainment systems with an all-in-one headset solution
- **Peace of mind** – thanks to the 2-year international warranty
