

Travel-Ease Headphones with Active Noise Cancellation

Targus®

Introduction

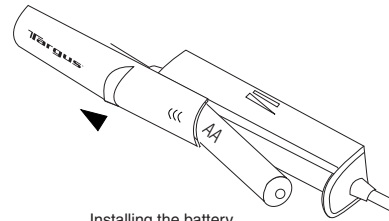

Congratulations on your purchase of the Targus Travel-Ease Headphones with Active Noise Cancellation. These headphones have an unique "Talk Through" feature that allows users to have a conversation or to be able to hear external announcements without removing the headphones.

List of Contents

- Headphones
- Carrying pouch
- 1 X AA Battery
- 1 X "1 to 2 airline adapter" (nickel-plated pin)
- 1 X 3.5mm to 6.3mm adapter (nickel-plated pin)

Installing Battery

1. SLIDE open battery compartment cover as illustrated.
2. Place AA battery into the battery compartment, following the polarities (+/-).
3. Close the battery compartment cover.

Installing the battery

Operating Your Headphones

- Use the On/Off switch to activate the noise cancellation.
- Headphones may be used without battery power or noise cancellation feature.
- The headband is adjustable for comfort.
- Plug into your selected audio jack, using either of the supplied adapters if necessary.

Using the "Talk Through" feature

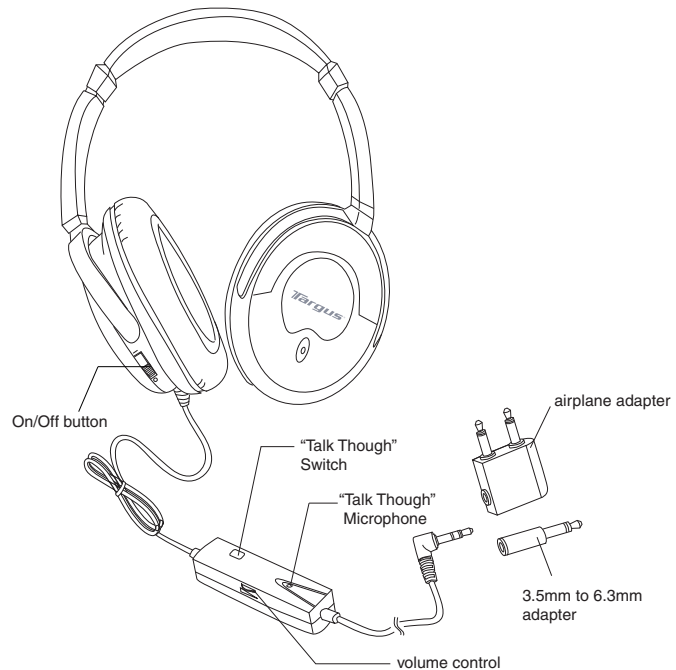

To activate the "Talk Through" function, make sure that the headphones are on and simply press and hold the "Talk Through" button located on top of the battery compartment. Simply release the "Talk Through" button when finished to turn it off. When the button is released the headphones return to noise cancellation mode.

This product also includes an adapter plug to access the in-flight audio program aboard airplanes. The 3.5mm to 6.3mm adapter lets you use your headphone with different types of audio devices.

CAUTION :

- Do not place headphones near heat source such as radiators, heating vents or direct sunlight.
- Do not place headphones where there is moisture, rain, vibration, shock or excessive dust.
- Clean headphone cabinets with a damp cloth. Do not use mineral spirits.
- Remove the batteries after use.
