

4-Position Stereo Listening Center

Model 1214AVPS-03

1. Headphone Storage Rack
 - Safely stores headphones when not in use
 - Comes with dust cover (not shown)
 2. Four 2924AVPS Stereo Headphones
 - Fully adjustable, noise-reducing earcups made with rugged ABS plastic for added durability
 - Individual volume located on earcups
 - Permanently attached cord with reinforced connection
 3. 4-position Stereo 1214AVPS jackbox
 - Silver-plated contacts eliminate "crackling" sound heard when connecting headphones
 - Individual volume control for each listening station
 - Comes with 1/4" and mini plugs for versatility
- One year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools

This durable 4-position Stereo Listening Center connects with media players to expand classroom learning opportunities. Its rugged and dependable headphones, storage rack and jackbox are constructed for individual and group tutorials, literacy groups, language lessons, story-time activities, Special Education, ELL / ELD learning applications.
