

Beltpack Transmitter & Wireless Mics

Model M-316

1. Works with three hands-free microphones for comfort, mobility and ease of use during classroom presentations
2. 160' wireless transmission range to speaker
3. 16 selectable channels UHF frequency for optimal sound choice and clarity
4. Convenient waist clip located on rear of unit
5. Volume control means no need to return to receiving unit for adjustments
6. On/Off switch
 - Works with Califone wireless PresentationPro (PA300+UHF) and PowerPro (PA916) portable PA systems
 - Ideal for mobile presenters, classroom and athletic applications
 - One year warranty for school use - unlike some PA equipment purchased from consumer electronics stores whose warranties would be voided if used in schools
