

## DIMENSIONS

## DESCRIPTION

The AP2SQ All Pro Emergency Series Emergency Lighting Unit is the ideal choice when simple installation is necessary. Its styling and designer finish enables it to blend with any decor. The housing and mounting plate employ snap-fit construction; the reliable and labor-saving quick connect AC connector further improves the installation time. The under 5-minute installation time of the AP2SQ Emergency Lighting Unit makes it one of the fastest installed units on the market today. Both lighting heads are fully adjustable, insuring that light can be positioned where it is needed.

## AP2SQ SERIES

All Pro
