

# Signature/Series V

White extruded aluminum case, 9 3/4" H x 9 1/8" D in sizes through 144" image width, 11" H x 9 1/8" D in larger sizes. Mounting brackets extend 1 1/2"

beyond each end of case. Image area fully framed with black, with 12" black drop at top of viewing surface (standard). U.S. Patent Number 5,341,241.

**Optional Motors:** Quiet Motor (Q): see page 23. 220V motor is available at no extra cost.

**Optional Controls:** LVC-III low voltage controller or MC-1 network controller may be built into the case. A variety of switches, listed on page 24, may be installed outside the case.

**Other Options:** Additional drop above image, see page 24 (black standard; surface color available on request). Cineflex rear projection surface is available by quotation.

**Extra drop or masking increases case length. Only one control—MC1 or LVC-III—can be factory-installed in each case. See page 6 for descriptions of products on this page.**

for more information, see page 23.

Custom sizes available by quotation. Custom sizes need to be specified in detail, including extra drop, if desired.

Need a projector lift or mount? See pages 73-81

**Freight Class Key**  
**Number** ..... LTL freight class  
**U** ..... Regular UPS  
**+** ..... \$6 surcharge (over 60" long)  
**Example:** a freight code of 125 U+ indicates an item that may ship as freight class 125 or via UPS with a \$6 surcharge.

Motorized screens above include one 110-120v 3-position switch. Optional controls available—see pages 23-24.
