

# AV Tutor™ Fundamentals Center

## Model 2056

1. Includes AV Tutor & 6 digital cartridge programs (see below)
  2. LCD screen with adjustable brightness
  3. Record function provides vocal mirror capability by capturing up to 8 seconds of student responses
  4. Built-in electret mic won't get lost (mic input on rear too)
- Interactive, easy-to-use, digital, hand-held instruction

**Nurturing independent and small group language learning with a form function that's already familiar to many children, the AV Tutor™ Fundamentals Center will be a popular and inspiring destination within the classroom. Tailored for differentiated learning, the six included & optional "Play Ball" digital modules are designed to together support the five key areas that are essential to effective early reading instruction (phonemic awareness, phonics, vocabulary, fluency and reading comprehension) and is also ideal for students who are performing just slightly below grade level.**
