

Tools for the Professional **New!**

904 Torque Wrench

Designed with Tool Professionals to meet the requirements of hubless soil pipe connectors in the field. RIDGID's new 904 and existing 902 are crafted and engineered for long service life and ease of use. The tools are manufactured from premium grade materials to guaranty reliability and a longer usable life. See why RIDGID designs tools for the most demanding of users.

Benefits:

- Professional Quality tools, precision crafted for ultimate balance, high strength and exacting performance
- Torque Limit Set for 80 inch pounds on the 904, and 60 inch pounds on the 902
- Quick release for reversing
- Corrosion Resistant
