

CM7™ AUTOMATED SWING ARM MOUNT

NEW!

MORE MOUNTS IN MOTION!

A new Cinematic™ Series addition, the CM7 swing arm mount provides automated positioning at the touch of a button!

Chief now offers the CM7™ Swing Arm Mount, backed by CLO Systems, within its line of Cinematic automated mounting solutions.

Designed for 40-63" flat panel TVs weighing up to 180 lbs (81.6 kg), the CM7 provides ultra-smooth movement. This low-profile mounting solution extends from the wall and swivels left and right with automated tilt, all via remote control!

Control Box

- Removable for easy access with a selector switch and LED to select TV size

Cable Management

- AV wires and cords are concealed by routing them through the enclosure

Programmed Flat Panel Size

- Able to select TV size (40", 50" or 60") to limit movement, protecting wall and TV

IR Remote Control

- Comes standard with two preset buttons to remember the favorite positions.
