

# DECORATIVE FRAMES

For 32", 42" & 50" Flat Panel TVs

**NEW!**

## Now you see it, now you don't

Designer frames with optical mirror make flat panels disappear!

Chief's new Decorative Frames convert flat panels into a stunning framed mirror when not in use, blending seamlessly with existing décor. Quick to install, the designer frames provide perfect alignment with a convenient spacer and specially designed V-straps for a secure fit. Each frame is constructed with high quality, real wood and includes an Infrared Kit, allowing use of the existing television remote.

### NEW DECORATIVE FRAMES

- Designed to fit 32", 42" and 50" flat panel TVs
- All frames include an easy-to-install Infrared Kit, allowing you to continue using your current TV remote
- Available in a variety of colors and sizes so you can choose the frame that best fits with the room décor
