MT-72 6FT Rectangle Table

Unfolding Instructions for Use

1. Place the folded table upside down on level ground.
2. Unfold all the legs of the table.
3. Turn over the table.
4. Shift the 2 elliptical fasteners (one fastener on each leg) onto the Y-type support frame so that the legs can be fixed and ensure safety during use.

Folding Instruction for Storage

1. Place the table upside down on level ground.
2. Shift the 2 elliptical fasteners and fold legs.
