

DESCRIPTION

The Classic pendants family from Halo include 5 different styles with glass or metal shades. Clean simple lines blend with a variety of interior spaces and provide effective task or accent lighting. The shapes include soft cones, cylinders and tall cones of cased glass in white, amber or blue. Metal shades are available in two styles in aluminum haze or bronze finishes. These line voltage Metal Dome Pendants use 60W A15 or G16.5 medium base incandescent lamps.
