

INVUE™ INSTALLATION INSTRUCTIONS

IMPORTANT: Read carefully before installing fixture. Retain for future reference.

VISION WALL VWS/TB

2/17/04

IMI-435

WARNING: Make certain power is OFF before starting installation or attempting any maintenance.

Thru-way Mounting Kit*

1. The thru-way mounting kit is intended for use when a conduit run is surface mounted to a wall. It is designed to be used with 3/4-14 NPSL threaded conduit.
2. Install anchors (supplied by others) for 1/4" screws in the wall using hole pattern as shown (See Fig.1).
3. Install 1/4" teflon washers on mounting screw (supplied by others) and mount the thru-way box as shown (See Fig. 2).
4. Remove gasket backing and install as shown.
5. Start two (2) 1/4-20 x 2.00 hex head cap screws, leaving approximately 1-3/8" under the head of the screws.
