

Catalog No.	Finishes	Mounting	Use With
8611EWH	Matte White	To 4" Octagonal	Lytedrop or Focal Jack Luminaires
8611EBK	Matte Black	Outlet Box	50W Max.
8611EAL	Aluminum	Ceiling Mount	

Features

- Canopy/Transformer Cover:** Cast Aluminum. .1" nominal wall thickness
- Mounting bracket:** Steel, attached to J-Box for mounting PowerJack.
- Plug Jack:** Molded high heat resistant polymer. Accepts all LyteJack fixtures
- Insulated Wires:** To be attached to 120V 60Hz. Supply circuit. Supply wires must be rated for minimum temperature of 75°C.
- Plug Jack Support:** Die-cast aluminum. Holds plug jack rigidly to ensure proper engagement and operation of LyteJack fixtures.
- Polycarbonate Stem Bushing:** Accurately guides LyteJacks into plug jack. When using Lytedrops, remove by using a coin such as a dime.
- Mounting Screws:** (2) Steel screws painted to match fixture color. Attaches power jack to mounting bracket.
- 4" Octagonal Outlet Box:** (By others).
- Insulated Ground Wire:** 18Ga wire attached to canopy and connected to the mounting bracket during insulation.

Electrical

60 Watt Class 2 low voltage (12V) Electronic transformer with auto-reset thermal cut off. Supply circuit must be 120V-60Hz.

Dimming

Use only dimmers specifically designed for use with electronic transformers. Low voltage fixtures may produce audible sound when dimmed.

Finish

All painted finishes baked enamel.

Labels

UL; CUL
