

Stiga Multiclip 50 Euro

A lawnmower with the effective Multiclip system.

The Multiclip system cuts and fertilises the lawn. It also makes the lawnmower quieter. You don't need to rake or empty a collector. You cut the grass about 30 % faster compared to collecting.

Equipped with the STIGA SV 40 engine that has a genuine float carburettor, which makes it extremely easy to start. And a balanced crankshaft that gives lower vibrations and a longer life.

The lawnmower has a collapsible Ergo-handle with steel levers. Cutting width is 48 cm.

MULTICLIP
