

**LIGHTOLIER®**  
**FRX Series**  
Architectural Recessed Fluorescent

The **FRX Series** offers an architecturally decorative lighting element that will enhance your boardrooms, entrances or executive offices. The 2' x 2' frost white acrylic lens with softly rounded edges provides a luminescent glow of light.

- Creative side-by-side installations can generate rows, squares, rectangles, "+" shapes, "T" shapes and other geometric figures.

- Illuminates both horizontal and vertical surfaces.
- Lens opens from either side.
- Lens utilizes spring loaded latches/hinge.
- 5" deep body.
- Fixture fits a Standard 15/16" or 9/16" T-grid ceiling.

Catalog Number	Fixture Efficiency	Lamp Type
