

Hidden T-Bar Frame Adapter

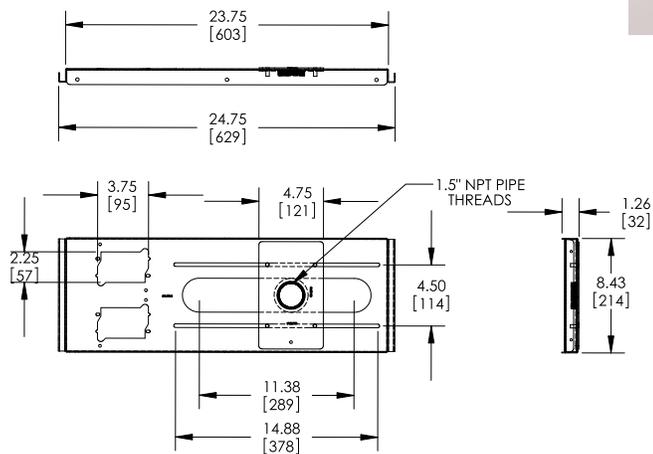

Hidden T-bar Frame Adapter

Designed to sit hidden above the ceiling tiles within the T-bar of a standard ceiling frame, the PP-FCTA ceiling plate allows for precise suspended projector placement. The PP-FCTA offers the installer countless options when it comes to locating a mounting point for a projector.

- Allows 9" of continuous movement
- Knockouts allow for wiring of signal and power outlets
- Wing nuts allow mobility of the 1 1/2" pipe coupler without excess tools
- Adapts to standard ceiling tiles
- Color: White

Model Max. Wt.
PP-FCTA 50 lbs. (23 kgs.)

Also available as a kit with our universal projector mounts.

PREMIER MOUNTS®

False Ceiling Plate
