MAG-FCMA
Mounting Kit

FCMA Mounting Kits

The FCMA adapter enables the mounting of projectors or flat-panels to the support system of a suspended/false ceiling. It fits in the T-bar metal framing system, replacing one standard 24"x24" ceiling tile. It also provides manual horizontal adjustment, which allows for the ideal focal point. It will support up to 50 lbs. when properly installed.

- Replaces standard 24"x24" ceiling tile
- Accepts 1 1/2" NPT
- Ability to shift display/projector 4" in any direction (depending on plate orientation)
- Knockouts allow for wiring of signal and power outlets
- Supports up to 50 lbs.
- Lifetime warranty
