

Universal Projector Mounts

PBL Series

The PBL Series of Universal Projector Mounts fit most projectors under 25 lbs. They feature four double-jointed support arms that allow flexible positioning to reach any mounting point.

This unique design can mate with our optional adjustable-height suspension adapter (APL-2647) to extend the length of the channel up to 47" from the ceiling. Cables can be routed inside channel for a neat appearance. Plus, it's backed by our industry-leading Lifetime Guarantee.
