

UPD Series

Plasma Carts

The industry standard for years, our popular UPD cart features a wide, stable base to safely support most flat-panel displays. Smooth rolling casters offer easy mobility. It comes with Black or Chrome poles and a single display adapter (PSD-SPA). Add our optional shelf (PSD-SHB) to hold a DVD player, laptop or more. The UPD cart will mate with all CTM Series plasma mounts or can utilize our Rotary Series, UFA and USA mounts, which must be added to complete the system.
