Ergonomic Sewing Operator Chair

<b>Model</b>	Score
<b>Shipping dimensions</b>	13 x 25 x 24
<b>Shipping weight</b>	30 lbs
<b>Warranty</b>	Reliable™ 1 Year Warranty

#### DESCRIPTION

The Score chair is the achievement of years of developing sewing operator chairs.

A well designed, ergonomically correct sewing chair should not be a luxury, it is a necessity. Sewing is a difficult enough task without having an uncomfortable chair to deal with.

All the studies confirm that when people are given the proper chair for the task, risk of injury is reduced, and greater productivity is achieved.

The Score chair has the most important features for sewing operators including; lumbar support, adjustable back support, tilting seat, and oversized comfort cushions to relieve pressure points.

Add up all the features and we think you will agree that the Score chair is the #1 sewing "accessory".

#### BEST USED FOR

All types of sewing operations  
General purpose office / home chair
