KITCHEN & SPECIALTY SINKS

Inspired by the Realities of Life.

An exciting selection of kitchen and specialty sinks by Sterling allows you to create versatile, efficient workspaces in the kitchen and beyond. Featuring 18- to 23-gauge stainless steel and solid Vikrell® material construction, STERLING® sinks are available in single- and double-basin configurations as well as self-rimming and undercounter designs.

New!
Carthage Undercounter Stainless Steel Sinks

New Carthage undercounter stainless steel sinks offer a wide range of design lines inspired by handcrafted corners. These single- and double-basin sinks offer a customized aesthetic with a sleek, clean surface.

SilentShield, technology reduces noise and vibration, making Carthage undercounter sinks as quiet as they are stylish and durable.

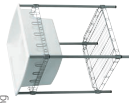

Maxeen® Kitchen Sinks
Made with Vitrel® material

Solid Vitrel material forms the foundation for these high-gloss, scratchably durable kitchen sinks by Sterling. Choose from self-rimming and undercounter installations, single- and double-basin configurations and an array of color options to suit the needs of your kitchen.

New!
Latitude Free-standing Utility Sink

The new free-standing model, crafted with steel legs and a silver finish, includes wire brackets that provide ample space for drying dishes and cleaning, compromising sink accessibility.
