# Height Adjustable Laptop Stand

### Technical Specifications

Product Name	360 Height Adjustable Laptop Stand
Model Number	XB-1001-xx
Weight	1.81 lbs (.82 kg)
Dimensions in Inches	11.8" (w) x 11.0" (d) x 4.25" (h) / 8.5" (h)
Dimensions in Millimeters	300mm (w) x 280mm (d) x 108mm (h) / 216mm (h)
Warranty	1 year
Physical Laptop Compatibility	Universal

## WHY TO BUY

- **universal** – the Stand is compatible with all makes and models of laptops including most 17" screen systems
- **superior value & features** –converts laptop into a desktop to improve comfort via proper screen height positioning, creates desk space savings, enhances laptop cooling and includes a 360° swivel
- **it's just plain cool** – stunning, award winning design functions as good as it looks

## FAQ

**How do you type on the laptop when it's in the Stand?**

The Stand is designed for use with an external keyboard and mouse. Simply attach these accessories directly to an available port on your laptop.

**Will it hold a 17" laptop?**

The Stand is engineered to hold more than 30 lbs of weight. In general, if the laptop is less than 1.75" thick it should be just fine when placed in the Stand.

**How many different height positions does the Stand have?**

The Stand has a total of 4 different height positions. The range from the highest to the lowest position is approximately 4.5" (11.5 cm).

**Will it really help my laptop run cooler?**

Absolutely. Placing your laptop in a vertical position and increasing airflow around your system accelerates the process of convection cooling.
