

Feature-packed portability. Exceptional good looks.

Feature Packed Value

Affordable, full-sized notebook with eye-catching great looks that are sure to get you noticed. Equipped with essential tools like full-sized ergonomic keyboard, Integrated 802.11b/g Wireless LAN, and Memory Stick PRO™ media slot. Gently slanted keyboard provides a comfortable hand and wrist position.

Enhanced Wide Screen

Enhanced wide screen format lets you take full advantage of DVD movies, view side-by-side page layouts, spreadsheets and toolbars.

DVD+R Double Layer /DVD±RW/CD-RW Drive

Burn professional quality DVDs and CDs.⁴ Store up to 8.5GB of data, music, photos or movies on a single DVD.

Multimedia Entertainment

Go from work center to multimedia center. Integrated optical drive and pre-loaded software lets you create, edit and burn DVDs⁴, enjoy music, movies and photos anywhere your notebook can go with you.

Wireless Freedom

Integrated wireless capabilities let you connect to thousands of Hotspots across the country to check email, surf the web and stay connected.³ Connect to work and play - wire-free!

PCG-K37

Support available from <http://www.sony.com/pcsupport>

1. GHz denotes microprocessor internal clock speed; other factors may affect application performance. CPU speed will be reduced under certain operating conditions.
2. GB means one billion bytes when referring to hard drive capacity.

3. Requires compatible wireless LAN access point, sold separately. Internet connection may require fees.
4. DVD Media/Formats are not universally compatible.
5. Supports Memory Stick PRO™ high-capacity media tested up to 1GB. Does not support MagicGate™ functionality.
6. i.LINK is a trademark of Sony used only to designate that a product contains an IEEE 1394 connector. All products with an i.LINK connector may not communicate with each other.
7. Estimated battery life. Actual battery life may vary on usage.
8. See actual Limited Warranty for details.
9. For certain third party software applications, Sony provides first level Phone Support. Additional telephone support may be available from the applicable 3rd party vendor. Availability and schedule for any such support is determined by the applicable software vendor.
10. Previous Quicken users may require additional upgrade.

Computer Interface: The computer industry lacks standards, and therefore, there are a multitude of varying software packages and add-on hardware options. This personal computer is not manufactured to operate any specific software, and Sony does not and cannot make any warranty or representation with respect to the performance of this product with any particular software packages and/or non-Sony add-on hardware options except those mentioned in this document. Sony hereby disclaims any representations or warranty that this product is compatible with any combination of products you may choose to connect. While Sony representatives or Sony authorized dealers may be able to assist you and may make recommendations, they are NOT authorized to vary or waive this disclaimer. Purchasers must determine for themselves the suitability and compatibility of the hardware and software in each and every particular instance. Software titles pre-installed on the Sony Notebook Computer are subject to change without notice. Simulated graphic shown on display. Preinstalled software may not be identical to retail versions or have all documentation. This product meets the standards of the International Energy Star Program for energy efficiency. Features and specifications are subject to change without notice. Non-metric weights and measurements are approximate.
