

RANGE COMPOSITION

N 700: a range of over 100 models for the professional caterer designed to guarantee the highest level of performance, reliability, energy saving, safety standards and ergonomic operation. These concepts are reflected in the total modularity of the range that ensures numerous configurations, either free-standing or bridged. N 700 demonstrates how advanced technology can satisfy the needs of the professional caterer. The models detailed on this sheet are electric grills in half and a full module versions ideal for grilling fish and meats.
