

DELL LATITUDE™ ULTRA-PORTABLE™ E4200 & E4300

Built small and light for the road warrior or executive, Dell Latitude Ultra-Portable laptops combine sleek looks, robust feature choices, and a low total cost of ownership.

INSPIRED DESIGN

Latitude Ultra-Portable laptops offer style, substance, and choice. With an expected starting weight of 2.2 lbs.,¹ the E4200 is the smallest, lightest Latitude ever. It is the ideal choice for executives or road warriors who demand mobility and connectivity, all in a package that will turn heads at the airport. For travelers who believe thin and light should not mean compromised productivity, the E4300 offers robust performance options such as 7200 RPM hard drives, standard volt Intel® Core™2 Duo Processors, and a built-in optical drive.

ALL-DAY MOBILE COMPUTING²

Latitude Ultra-Portable laptops are designed to help increase productivity. High-capacity battery slice options, Dell ControlPoint software, and optional Auto/Air/AC travel adapters will let you run longer on a single battery charge and recharge in more places. Stay connected with anytime, anywhere wireless connectivity³ with support for current and emerging wireless technologies (Wi-Fi, High-Performance Wireless-N, mobile broadband,³ WiMAX™, Bluetooth® 2.1).

PEACE OF MIND

Dell ProSupport Mobility Services⁴ help protect your investment and ensure your data is yours and yours alone.

Dell ProSupport Asset Protection Options help maximize uptime while protecting your investment with Extended Battery Service, as well as Laptop Tracking & Recovery.

Dell ProSupport Data Protection Options feature Remote Data Delete, Hard Drive Data Recovery, and Certified Data Destruction. Dell can remotely delete sensitive data, help prevent potential loss of valuable data, certify destruction of data, and help recover data when you have a failed hard drive and no backup.

TOTAL CONTROL OF OWNERSHIP

Unlike many ultra-portable options in the market, Latitude Ultra-Portable laptops are 100% compatible with the docking solutions offered on the rest of the Latitude line, helping reduce the time and costs associated with managing your docking solution. Latitude E-Family Ultra-Portable laptops can be managed virtually anywhere in the world without leaving your desk. With image and systems management tools like Dell ImageDirect™, Dell Client Manager, and Intel vPro™ technologies, you can simplify systems management and free IT to focus on more strategic business challenges.
