

ESPRIMO Mobile U Series

Small size, big business

Issue April 2008

Pages 4

Being frequently on the road? Moving from location to location? Sometimes being stuck between meetings? Business people like you need the perfect companion on the move!

The ESPRIMO Mobile U9200 – an ultra portable notebook – with latest Intel® Centrino® Duo processor technology keeps you working productive, wherever you decide to work. It is the perfect combination of low weight, long independency from power socket and unlimited connectivity.

This professional notebook features a superb 12.1-inch WXGA display, with integrated ConfCamera. In combination with embedded UMTS/HSDPA you stay in touch with your colleagues, partners and customer – whenever and wherever you are. And once back at the office, the port replicator instantly transforms your ESPRIMO Mobile in a fully-fledged PC.

Elegance

- Designed for demanding mobile users, ESPRIMO Mobile is the perfect synthesis of form, function and style
- Elegant family design, extremely small package fits even on the smallest airplane table

Ergonomics

- Enjoy the viewing quality of 12.1-inch wide format WXGA TFT display with integrated ConfCamera
- Port replicator for simple connection to all your peripherals

Connectivity

- Always connected to your emails
Wireless high-speed connectivity everywhere with embedded LAN, WLAN and UMTS/HSDPA
- Integrated ConfCamera for on-the-fly videoconferencing

Reliability

- Long independency with long battery runtime and further extension with second battery
- Germany's quality standard in award-winning best-in-class manufacturing

Manageability

- Seamless integration in heterogeneous enterprise management systems
- Sophisticated family concept with BIOS / BIM compatibility
