SWEEPING UNIT PARK

Sweeping Unit Park

Efficient sweeping unit to Stiga Park

The sweeping unit is very useful for areas with asphalt, grass and concrete. Also very suitable for up to 5 cm of newly fallen snow. Good performance in all four seasons.

Adjustable ground pressure with two rear pivot wheels and a removable front pivot wheel. The sweeping angle can comfortably be adjusted from driver's seat.

The working width is 100 cm.

Fits Park and Park Pro with rear wheel drive.

Dust cover is available as accessory.
