Thank you for choosing a ThinkPad notebook.

The ThinkPad notebook is loaded with advanced features.

Stylish full-featured widescreen notebooks

The new ThinkPad SL series notebooks are perfect for helping to run a small business or just enjoying computing at home with the newest processors, advanced graphics, large hard drives (capable of storing vast music, video, and picture collections), and other popular features. These notebooks have a stylish glossy black cover and LED illumination buttons.

Advanced LCD technology

A widescreen display with a choice of a VibrantView panel for optimal multimedia viewing or an anti-glare LCD panel* for minimum screen reflection gives you a comfortable computing environment.

Complete device connectivity

Device ports and connectors, such as high-speed USB 2.0 ports, an IEEE1394 port, and a 7-in-1 card reader, get better connectivity and easier file transfer from all your digital media devices.

Multimedia features

Multimedia features, such as an integrated camera*, a VibrantView LCD display*, an HDMI (High-Definition Multimedia Interface) port, and an integrated Blu-ray, Multi-burner, or Combo drive, meet all of your multimedia needs.

To learn more about hardware features, see About your computer in Access Help.

Security at your fingertips

An integrated fingerprint reader* helps you securely unlock your computer with just a swipe of your finger.

To learn more about how to protect your computer, see Security in Access Help.

Optimized network connectivity

Advanced network connectivity options, such as Gigabit Ethernet, Wireless LAN, WiMAX*, and Wireless WAN*, help you connect to your network or the Internet under the best conditions.

To learn more about network connections, see Getting connected in Access Help.

*Select models only.

ThinkVantageTechnologies

ThinkVantage® Technologies are advanced technologies that enable you to improve productivity, protect your data, and reduce overall lifecycle costs.

To learn more about ThinkVantage Technologies, open the Lenovo Care by pressing the Lenovo Care button.

Using Access Help (online manual) and the included manuals

To find detailed information about your computer, open Access Help, or see the Safety and Warranty Guide or the Service and Troubleshooting Guide.

Access Help

Access Help is a comprehensive online manual that provides answers to most of your questions about your computer, helps you to configure preinstalled features and tools, or solve problems.

To open Access Help, do either of the following:

- Press the Lenovo Care button. Under Quick Links in the Lenovo Care, click "Access on-system help."
- Click Start, move the pointer to All Programs; then to ThinkVantage. Click Access Help.
