# Satellite Pro A60 series

Desktop performance unleashed at a price you can afford.

- Performance without limits – powerful Intel® Celeron® or mobile Intel® Pentium® 4 processors easily meet the toughest user demands

- See the difference – the industry-leading ATI MOBILITY™ RADEON™ 7000 IGP™ graphics chipset delivers crisp, clear text and immersive graphics via the 15" XGA TFT display

- Stay connected – benefit from maximum mobility and flexibility including wired Ethernet LAN, i.LINK® and much more

- Multimedia for work or play – with the integrated optical drive and impressive SRS TruSurround XT™ surround sound system, users can manage data, deliver dazzling presentations and enjoy multimedia entertainment

- Style meets convenience – this cool, blue notebook comes pre-installed with Microsoft® Office OneNote™ 2003 note-taking and management software as well as ConfigFree™ for easy mobile connectivity management

A better way to capture, organise, and reuse your notes

Bundled with

Microsoft Office OneNote 2003

Power to go.

Choose freedom.

TOSHIBA

Performance without limits.
Desktop performance goes mobile. The Satellite Pro A60 offers users the choice of either the Intel® Celeron® processor for reliable performance and exceptional value or the mobile Intel® Pentium® 4 processor for enhanced performance, particularly when running processor-intensive applications. With this best in class desktop-replacement notebook, users can enjoy easy multi-tasking, dependable performance and superlative multimedia.

See the difference. Thanks to industry-leading ATI MOBILITY™ RADEON™ 7000 IGP™ graphics and 64 MB of video memory, the Satellite Pro A60 delivers consistently crisp, clear text and graphics. Together with its 15" XGA TFT display and superior multimedia functionality – including DVD playback, TV-out and dual-display support – users benefit from finely detailed images, presentations, spreadsheets, digital video files and documents.

Stay connected. Maximum connectivity means maximum productivity, enabling mobile workers to access data in real time while keeping abreast of e-mail and responding quickly to co-worker or client needs. The Satellite ProA60 offers a range of connectivity choices, including wired Ethernet LAN and modem dial-up access. Three USB ports and the i.LINK® port allow users to connect various peripherals, such as digital cameras or other devices.

Multimedia for work or play. Go digital for greater efficiency and enhanced entertainment. Store or back up data, run software programs, watch movies, listen to music or play games using the integrated optical drive option. SRS TruSurround XT™ technology delivers virtual surround sound and 3D audio effects for cinema-like audio output or immersive gaming. The TV-out port allows you to extend the cinema or multimedia experience by connecting to an external display or TV.

Style meets convenience. Boost your productivity and image with the professional looks and convenient features of the Satellite Pro A60, which comes preloaded with Microsoft® Windows® XP Professional and unique Toshiba software utilities. Microsoft® Office OneNote™ 2003 is a better way to capture, organise and reuse notes, while Toshiba's ConfigFree™ allows users to easily set up, configure and manage wired and wireless mobile connections at work, home or on the road.

Toshiba recommends Microsoft® Windows® XP Professional for Mobile Computing

Model	Satellite Pro A60	Satellite Pro A60	Satellite Pro A60 NEW
Technology	Intel® Celeron® processor, 2.80 GHz, 400 MHz Front Side Bus, 128 KB 2nd level cache	Mobile Intel® Pentium® 4 processor, 2.80 GHz, 533 MHz Front Side Bus, 512 KB 2nd level cache	Mobile Intel® Pentium® 4 processor 518 supporting Hyper-Threading Technology (2.80 GHz, 533 MHz Front Side Bus, 1 MB 2nd level cache)
Operating system	Windows® XP Professional (triple language choice: English, French, Dutch)		
Display	15" TFT colour display		
Internal video mode	Maximum number of colours: 16.7 million, resolution: 1,024 x 768

Warranty	1-year pick-up & return warranty		
Options	128 MB memory kit, 256 MB memory kit, 512 MB memory kit, 1,024 MB memory kit, universal AC adapter, battery pack, high-capacity battery pack, battery charger, USB diskette drive		

CPU performance may vary from specifications under certain conditions such as the use of battery instead of AC power, certain external peripherals, certain multimedia applications or network connections, complex modelling software and in areas with low air pressure at high altitude (1,000 metres above sea level) and/or certain temperatures. CPU performance may also vary from specifications due to design configuration. Under some conditions, your computer may automatically shut down as a normal protective measure. To avoid risk of lost data, please make periodic back-up copies. For optimum performance, use your computer only under recommended conditions. Please read detailed restrictions in the product resource guide, visit the Toshiba web site: computers.toshiba-europe.com and/or contact Toshiba Technical Support. • One GB means one billion bytes. • Wired and wireless communication capabilities to be applied in countries where approved. • Small bright dots may appear on your TFT display when you turn on your PC. Your display contains an extremely large number of thin-film transistors (TFT) and is manufactured using high-precision technology. Any small bright dots that may appear on your display are an intrinsic characteristic of the TFT manufacturing technology.

* Wireless LAN capabilities on selected models.
