

LapCool TX

Notebook Stand

[INTRODUCTION]

The LPC-450TX is a notebook stand designed especially for notebook users. It elevates your laptop to enhance heat dissipation, and the adjustable stand provides a comfortable typing position, preventing sore wrists. You can share what's on your screen with others during a meeting or presentation by turning its fully rotating base. Light, thin and easy to carry, the LPC-450TX is a terrific accessory for any notebook user.
