

Notebook Security Cable Lock

[PRODUCT DESCRIPTION]

The Vantec 3-in-1 Cable Locking System gives you the flexibility to secure almost anything. Using 2.5 feet of high strength steel cable, you can attach your valuable equipment to any secure object or surface you can loop around. When not in use, the cable retracts into the lock making it very easy to take with you. Its easy to set combination lock allows you to choose the combination and not have to worry about keys. Whether you want to secure your laptop, digital camera, computer case, or any device with a security slot, the Vantec 3-in-1 Cable Locking System provides the protection you need.
