

BookEndz[®]

Owner's Manual

THANK YOU

Thank you for purchasing the **BookEndz®** Dock for your MacBook® Pro Computer. The purpose of the **BookEndz®** Dock is to eliminate the hassles, headaches, wear & tear, and delays that arise from having to plug in all of your peripheral cables each time you want to use them. Once the cables are plugged into the dock, all you need to do is slide in your **BookEndz®** Dock and you are connected to everything at once.

Prior to using your new **BookEndz®** Dock, take a few minutes to read through this manual. It contains important information regarding the use of your new **BookEndz®** Dock.

INSTALLING YOUR NEW BookEndz® DOCK

1. Place the **BookEndz** Dock on the flat surface on which it will be used and plug all of your external devices into the **BookEndz** Docking Station (video monitor, network, modem, etc.).
2. Shut down the MacBook Pro and close the LCD screen.
3. Align the connector ports and slowly slide the dock into your MacBook Pro.
4. Restart your MacBook Pro and allow your peripheral devices to bootup.
5. To travel with your MacBook Pro, shut down your MacBook Pro and all external devices and close the LCD screen. It is not necessary to unplug them from the dock. Slowly slide the dock away from your MacBook Pro The **BookEndz** Dock will gently undock from your MacBook.

LIMITED WARRANTY

OlympicControls Corp. ("Manufacturer") warrants this **BookEndz®** product to be free from defects caused by faulty materials or poor workmanship for a period of one year from the date of shipment to the initial user of the product. This liability of manufacturer under this warranty is limited to replacement or repair at its option.

The foregoing warranty is subject to the following conditions that must be met:

- a) Manufacturer is promptly notified in writing within ten (10) days after the discovery of such defect, and
- b) The defective unit is returned to Manufacturer, freight prepaid, within ten (10) days of the discovery of such defect, and
- c) Manufacturer's examination of such units shall disclose to its reasonable satisfaction that such defects exist and have not been caused by misuse, neglect, improper installation, repair, alteration or accident caused by parties other than manufacturer.

Manufacturer's products are not authorized for use as critical components in life support devices or systems which are intended for surgical implant into the body to sustain life. A critical component is any component of a life support device or system whose failure to perform can be reasonably expected to cause the failure of the life support device or system or to affect its safety and effectiveness.

This warranty is the only warranty made to any person by OlympicControls Corp. and is in lieu of all other express warranties. IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED. The remedies set forth in this warranty shall be the exclusive remedies available to any person for breach of this warranty. Under no circumstances shall Manufacturer be liable to any person for incidental or consequential damages, whether arising out of breach of warranty or other contract, negligence, strict liability or other tort, or otherwise.

No waiver or modification of the Warranty or any of its terms shall bind OlympicControls Corp. unless in writing and signed by an officer of OlympicControls Corp.
