

The docking station offers you a modular choice to fit your computing needs. Use just the USB media port replicator for simple cable management or combine the port replicator, stand, and speakers for a full desktop experience that includes high def sound.

Features and Benefits:

- An elegant design with attention to detail that includes brushed metal finishes and a pocket to seamlessly cradle the port replicator and attach the speaker for a clean workspace
- The quick single USB connection to your notebook lets you easily move from your workspace to on the go
- Elevate and extend your notebooks capabilities so you can work in comfort while reducing clutter for a cleaner workspace.
- Use your notebook screen as your monitor and choose from 3 adjustable levels for a viewing height that is just right for you
- Integrated High Def Video allows you to experience Video over USB with resolution support up to 1920x1080
- Integrated High Def audio with a 3" subwoofer combined with 4 Altec Lansing speakers for a room filling 2.1 channel High Def Audio experience
- Includes four USB ports, Ethernet, VGA and more for easy access to monitors, printers, speakers, and other peripherals
- Works with any notebook with up to 17" diagonal screen and an available USB port.

Compatibility Statement:

- Any notebook with up to 17" diagonal screen and an available USB port
