Cub Cade L.

WE PUT MORE IN IT SO YOU CAN SPEND MORE TIME OFF IT.

Our Z-Force® Zero-Turn Riders deliver more power and performance, so you can get your work done faster and easier. The zero turning radius means you'll spend less time cutting and more time doing the things you like to do. In addition to saving you time, it offers a very comfortable ride with features like front caster wheels, pivoting front axle and high-back seat with gel suspension.

INNOVATIVE FEATURES FOR AN INCREDIBLE EXPERIENCE. THAT'S THE

CUB CADET ADVANTAGE.

EASIER TO OPERATE

Foot-pedal deck height adjustment makes it easier to select and set preferred mowing height without stopping or leaving your seat.

SMOOTHER CUT

Pivoting front axle and floating deck follow the contours of the ground for superior cutting, providing a smoother, more manicured look to the lawn.

STRONGER ENGINES

Professional-grade Kohler® Courage® V-Twin engine features hardened crankshaft bearings and large capacity filters.
