Manual No. 301-222M

## Before You Start

When you see this symbol, the subsequent instructions and warnings are serious - follow without exception. Your life and the lives of others depend on it!

**IMPORTANT:** Before you begin, read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference and parts ordering information.

These option assembly instructions contain only information on assembling the attachment to the main unit. A detailed Operator's Manual was supplied with the main unit when it was purchased. For more specific information on safety concerns refer to the Operator's Manual. Also included in the Operator's Manual is important information on operation, adjustment, troubleshooting, and maintenance for this attachment (some of these sections do not apply to all options).

A separate Parts Manual for replacement parts can be purchased from your dealer or available free of charge at [www.landpride.com](http://www.landpride.com). Have model and serial numbers handy when placing an order.

## Assembly Instructions

### CAUTION!

Securely support the unit before assembly.

### Support Stand Assembly (RBT15 Frame is shown)

1. Use stand bracket (#5) as a drilling guide for the two 1/2" diameter holes.
2. Clamp the stand bracket (#5) to the frame using the dimensions shown in Figure 1 and Figure 2.
3. Drill two 9/16" holes for the bolts.
4. Secure the bracket with the two bolts (#1) and lock nuts (#6) as shown in Figure 2.
5. Install the support stand (#3) into the stand bracket (#5).
6. Install the roll pin (#4) in the top hole of the support stand.
7. Place the wire retaining pin (#2) in one of the other holes; the middle hole is for standing or storing the unit and lower hole for transport or when using the unit.
