

Enduro 150

6 Valve Ice Drink Dispenser

Features:

- Available with six UFB-1 sanitary lever or push button valves
- Illuminated merchandiser delivers high impact marketing message
- Coldplate to valve manifolding design allows for any combination of carbonated or non-carbonated flavors
- Gravity ice dispensing with positive shut-off provides excellent ice targeting
- Ice used to cool cold plate is separate from ice dispensed into cups
- One piece ABS thermoformed plastic ice storage hopper (Durabide™ design) provides durability and ensures all ice in the hopper is dispensable
- Unit readily accepts top mount cubers with manual ice fill capability
- Stainless steel cabinet
- Modular design allows for easy component access from the front of the unit
