Key Technologies

9-inch (diag.), high-resolution, widescreen monitor: Enjoy entertainment on the go with the Sony® DVP-FX970 portable DVD player, featuring a nine-inch, high-resolution, widescreen LCD (800 x 480 resolution).

6-hour rechargeable battery: With up to 6-hours of battery life, the Sony® DVP-FX970 portable DVD player lets you watch approximately three full-length movies before having to recharge.¹

180-degree swivel and flip screen: A convenient 180-degree swivel, flip screen allows you to watch your DVDs from almost any angle.

USB Port: Allows for easy, convenient viewing of videos, photos and music listening from a USB device.

Touch keys on bezel for easy operation: Easy-to-access touch keys are conveniently located on the bezel surrounding the player's screen.

Multiple format disc playback: View movies and photos and listen to music with multiple format playback.³

2 built-in headphone jacks: Share your entertainment with friends and family with two built-in headphone jacks².

Car adaptor included: Included car adaptor helps make sure your DVD player is always ready to go no matter how long the road trip.

A/V input and output: Plug the DVP-FX970 into your TV using the A/V output, and included A/V cable, and it instantly becomes a standard DVD player for the home.
