

24-LED IR Illuminator VI-B1003-SBQ

SECO-LARM's IR Illuminator comes with 24 LEDs to illuminate up to 80 feet from the camera. It is ideal for side-by-side use with SECO-LARM IR cameras like the EV-1323C12DW, as well as any camera that is IR ready. The case is constructed from rugged die-cast aluminum, with a unique, weatherproof (IP67) design and a sunscreen for indoor or outdoor use.

Up to 80'

VB-CF1Q Mounting Bracket

The VB-CF1Q allows for the easy and attractive installation of one camera (like the SECO-LARM EV-1323C12DW) and one or two VI-B1003-SBQ illuminators so they work together to brighten up the protected area.
