UNIVERSAL REMOTE CONTROLS

JASCO®

G L O S S A R Y O F T E R M S

Universal Remote

Remotes work with over 325 different brands and thousands of different models of electronic components (TV's, VCR's, DVD players, DVR's, Audio Receivers, Cable Box, Satellite Receivers, etc).

Auto Sleep Timer

Remote can be programmed to automatically turn off TV after 1-99 minutes.

Code Saver

Programmed code set-up information will be retained for up to 10 minutes while changing batteries. Code set-up information will be retained PERMANENTLY as a feature in learning remotes.

Code Search

If 4-digit code is unknown or remote does not respond to 4-digit codes for brand of equipment then the user can "search" for a code that might work with their equipment.

Learning Feature

Remote has the ability to copy or "learn" functions from the user's original remote, if these functions or commands are not offered under normal programming. Up to 140 commands can be learned.

Menu Navigation

Buttons assigned for scrolling through and selecting on-screen menu options for TV, DVD, and satellite

PIP

Picture-in-picture
