**LEAF MULCHER FOR
24" ROTARY LAWN MOWER**

ARTICLE 990264

The leaf mulcher for the 24" Rotary Mower consists of baffles (A, B, C, & D) which must be attached to the mower housing as illustrated below. After installation, rotate the blades to check for proper clearance between the blades and the baffle flanges.

Ref. Letter	Part No.	Description
A	108295	Baffle, Front
B	108296	Baffle, Side
C	108357	Baffle, Left Hand Rear
D	108294	Baffle, Rear
