ESTATE ROYAL

## Stiga Estate Royal

---

A powerful ride-on lawnmower with collector. The versatile machine can also use Multiclip and Rear Discharge.

The ride-on lawnmower is excellent when an effective collection is important. The machine has nevertheless the fantastic ability to also supply other needs, except collecting. When you need to work through really tall grass you can drive with the Rear Discharge (accessory). The machine can also be driven in Multiclip mode (included). Then you don't have to rake or empty grass. Mowing is quieter and you fertilise the grass at the same time.

The ride-on lawnmower is very comfortable to operate. Nothing protrudes at the side. This means that you can trim edges as well on both sides. The collector is spacious (320 litres) and handy. A buzzer will tell you when the collector is full. Emptying is performed easily from the driving seat. The machine has a variable speed control, regulated with a foot pedal. The electromagnetic clutch allows easy engagement of the cutting blades.

Equipped with an environment friendly 18 hp engine. The cutting width is 102 cm.
