

ESTATE

ESTATE ROYAL

Estate Royal

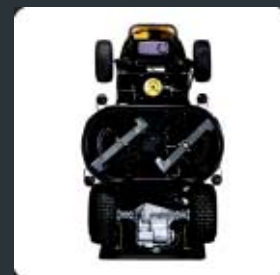

- For those who prefer to gather-up grass clippings.
- It cuts the lawn several times faster than a normal lawnmower.

The wide cutting deck and powerful engine make the Estate Royal the fastest and most efficient mower in the series.

The rear mounted grass box holds 300 litres and can be emptied without the driver leaving the driving seat. A signal indicates when the grass box is full and ready for emptying.

The Stiga Estate Royal is comfortable to drive, has a small turning circle and cuts close on both sides.

- 102 cm floating cutting deck with central cutting height adjustment. There are 7 cutting heights from 30 - 90 mm.
- Reliable, 16 hp Briggs & Stratton Intek OHV engine with electric start. The petrol tank holds 7 litres. All controls are located on an instrument panel. Electric attachment clutch. Removable starting key.
- Hour meter to help you to remember to give service in right time.
- Continuous, hydrostatic gearbox. Cutting speed forward and backwards is regulated by a foot pedal. Brake pedal and parking hand brake.
- Accessories: tow-bar, deflector for cutting high grass without a collection box and front weights.
