

GARDEN

GARDEN COMBI HST

Stiga Garden Combi HST

A ride-on lawnmower with collector. The versatile machine can also use Multiclip and Rear Discharge.

The ride-on lawnmower is excellent when an effective collection is important. The machine has nevertheless the fantastic ability to also supply other needs, except collecting. When you need to work through really tall grass you can drive with the Rear Discharge (accessory). The machine can also be driven in Multiclip mode (included). Then you don't have to rake or empty grass. Mowing is quieter and you fertilise the grass at the same time.

The ride-on lawnmower is comfortable to operate. Nothing protrudes at the side. This means that you can trim edges as well on both sides. The collector (170 litres) is very handy. A buzzer will tell you when the collector is full. Emptying is performed easily from the driving seat. The ergo-seat is collapsible and has draining. The deck has a unique system for easy cleaning.

Equipped with an environment friendly 12,5 hp engine. The machine has hydrostatic transmission. The cutting width is 72 cm.
