

MULTICLIP

MULTICLIP 50 S
RENTAL

New Multiclip 50 S Rental

A new self propelled lawnmower with the effective Multiclip system.

The Multiclip system cuts and fertilises the lawn. It also makes the lawnmower quieter. You don't need to rake or empty a collector. You cut the grass about 30 % faster compared to collecting.

Equipped with the new STIGA RV 45 engine that has a genuine float carburettor, which makes it extremely easy to start. And a balanced crankshaft that gives lower vibrations and a longer life.

This comfortable lawnmower is very well equipped with a sturdy galvanised deck, double ball bearing wheels, adjustable handle for cutting close to walls, central height adjustment and a friction blade holder that protects the engine if you hit solid objects. The unique Anti Vibration System gives very low vibrations in the handle.

The noise effect is very low, only 94 dB(A). A reduction of 3 dB(A) reduces the noise by half. Cutting width is 48 cm.
