Product Family: Ariens and Gravely Mowers with Kawasaki Engines

Subject: Potential Fuel Filter Leak

Dealer Action: SALES HOLD - Do not sell units below until repair is complete

## **Safety Notice: Sales Hold**

Please read and understand the attached Stop Sale Notice (ref: ENG 12-01) from Kawasaki Motors Corp. Ariens Company has been informed by Kawasaki of a potential safety concern on certain Ariens and Gravely products built since October, 2011. Kawasaki has discovered the fuel filter may be faulty and have the potential to leak at the weld seam. As a result, Kawasaki is reporting the issue to the Consumer Product Safety Commission (CPSC).

Because this is a safety issue, Kawasaki is issuing a "Stop Sale" order to the dealer network of any unit with a Kawasaki engine in the model and serial number range listed in Kawasaki's Stop Sale Notice.

Below is a list of Ariens and Gravely models that may have affected engines.

Products shipped from the Ariens Co on or after Monday, August 13, 2012 have been inspected and, if necessary, updated fuel filters have been installed on the engines on these machines. These products are not affected by the Stop Sale and may be retailed immediately. The updated fuel filters on these products can be identified by a black mark on the fuel filter.

Information relating to the repair and warranty of these products is being developed by Kawasaki and will be issued to dealers as soon as possible.

For further information contact Kawasaki Technical Assistance at 877-608-6088 or Ariens Technical Service at 920-756-4688.

## STOP SALE NOTICE

REVISED: Eligible engine serial number ranges have been revised. Please discard bulletin ENG 12-01 dated August 16, 2012

Kawasaki Motors Corp., U.S.A. (KMC) has determined that a substantial product hazard may exist in select Kawasaki FE, FH, FJ, FR, FS and FX series general purpose engines and service parts. Eligible machines to which the following serial number engines have been installed or loose ("replacement") engines between the following serial numbers should not be sold until further notice. Fuel filter service part number 49019-0707 inventory should be destroyed and reported per instructions below. Tune-up kit inventory should be returned to Kawasaki per the instructions below. This bulletin is exclusive to dealer machine, engine and part inventory. A consumer corrective action plan will be published following approval from the Consumer Product Safety Commission.
