

Collector 45 S

A handy aluminium lawnmower with collector.

The lawnmower is excellent when a very effective collection is important. The model can also supply other needs. When you need to work through really high grass you just drive without the collector.

Equipped with the new STIGA SV 40 engine that has a genuine float carburettor, which makes it extremely easy to start. And a balanced crankshaft that gives lower vibrations and a longer life.

The lawnmower is very well equipped with self-propelled operation, central height adjustment and a sturdy aluminium deck with a 20 years warranty*.

Cutting width is 43 cm.
