

MULTICLIP

MULTICLIP 53 S
RENTAL

Stiga Multiclip 53 S Rental

A self-propelled lawnmower with the effective Multiclip system.

The Multiclip system cuts and fertilises the lawn. It also makes the lawnmower quieter. You don't need to rake or empty a collector. You cut the grass about 30 % faster compared to collecting.

Equipped with the new durable easy started STIGA RM 65 engine. It's a very powerful overhead-valved engine with cast iron cylinder sleeve, built for tougher tasks. Especially developed for our lawnmowers.

The lawnmower is very well equipped with self-propelled operation, a robust aluminium deck with a 20 years warranty*, wheels in aluminium, adjustable handle for cutting close to walls, central height adjustment and friction blade holder that protects the engine if you hit solid objects. The unique Anti Vibration System gives very low vibrations in the handle.

Cutting width is 51 cm.
