

# WIRELESS MICROPHONE, TRANSMITTER AND RECEIVER

Model PAMR-115

1. Wireless VHF receiver with 1/4" plug connects with almost any media player for instant wireless connectivity
  2. Handheld microphone
  3. 15' cable with XLR connector if wired approach is preferred
  4. VHF transmitter with XLR connector attaches to mic for wireless performance with 50' range to receiver
- Is the perfect solution for budget-minded schools who want the benefits of wireless performance
  - One year warranty for school use - unlike microphones purchased from consumer electronics stores whose warranties would be voided if used in schools

This complete microphone system delivers the flexibility and versatility of a plug and play wireless package. The receiver plugs into any media player's 1/4" input for instant wireless connectivity. Or by unplugging the transmitter and snapping in its 15' cable, a traditional wired mic approach is possible.
