

SDC 8000 C

Conference and Information Systems | SDC 8000

Cat. No. 009415

General Description

The digital SDC 8000 C chairman's unit is an ideal choice for both mobile and fixed conference systems. Its compact and elegant design harmoniously blends in with any conference room. The unit features a high-quality built-in loudspeaker, providing excellent sound at a pleasant volume. By pressing the Mic key, the chairman can make a comment any time.
